

Scholarships:

PART A – Creating a Post

1. Image: prepare images (logos) – any reasonable logo size image for the post (e.g. 250X133 px) and the same image for the front page with the height of 486px by 133px.
2. Create your new post following Manual Part 1.
3. Featured Image: you can either look for a suitable illustration (not the logo) or use a generic one from the Media Library. Insert Scholarship logos in the bottom of the page.
4. Sidebar: Meta Options/Page Meta/Sidebar Options/

 Sidebar Configuration: Right Sidebar

 Right Sidebar: Sidebar One

5. Select category – Scholarships
6. Meta Options/Page Heading Options:

 Page Title Background: select

Alt 1 – town clock and world

Alt 2 – Government Building – View from the sea

Alt 3 – Mountain

Alt 4 – Mulinuu

 8. *Upload*

7. Save, publish.

PART B – publishing recent scholarships on Home page

Follow Manual Part 1.

PART C - updating Scholarships pages

Follow Manual Part 1.
